Gentlemen:

Based upon the evidence submitted, it is believed you are exempt from Federal taxation as an organization described in section 501(c)(3) of the Internal Revenue Code. You are organized and operated exclusively for the purpose shown above. Any questions concerning taxes levied against other activities or by other Code provisions should be addressed to us.

You are not required to file a Federal income tax return unless you receive contributions or gifts of \$500 or more, unless you are subject to the tax on unrelated business income imposed by section 511 of the Code, and are required to file a return for the purpose of reporting such income. Any changes, increases or decreases in your character, purposes or method of operation should be reported immediately to this office for consideration of their effect upon your exempt status. You should also report any change in your name of street, durability if any, in the mailing information return, section 6701(b), is set forth above. That return, if required, must be filed after the close of your annual accounting period indicated above.

Contributions made to you are deductible under section 170 of the Code. Contributions, legacies, devices, transfers or gifts to or for your use are deductible for Federal estate and gift tax purposes under the provisions of section 2512 of the Code.

You are not liable for the tax imposed under the Federal excise Contributions Act (regarding security taxes) unless you are a donor or donee or committee as provided in that act. You are not liable for the tax imposed under the Federal Unemployment Tax Act. If you do not file a waiver of exemption certificate and social security taxes should be addressed to this office.

This is a determination letter.

Very truly yours,

R. Armand Cattaneo
